

DESKING

DESKING STORY

IOF desking is a comprehensive modular system which combines simple clean designs with highly robust and flexible construction.

With ample work surfaces and several support options, IOF desking can create a single desk, a cluster, or a run of workstations.

When change is required, re-configuring the desks can be done quickly and easily - Perfect for today's complex and ever-changing office environments. The IOF Desking line creates customizable solutions to suit your needs today and carry you in to the future.

Adding accessories along with power and wire management options are a few ways in which IOF Desking allows you to personalize your workspace. Our extensive selection of handles, accents, laminates & finish options create clean, fresh looks that are built to last.

PERSONAL L SHAPE

Mahogany Impression / Silver Straight Pulls

A basic desk need not be primitive.

This single height unit with a bold aesthetic allows individuals a personal space they can be proud of.

PRIVATE OFFICE

Natural Maple / Black Rail Pulls

The image on the left portrays a floating, open-style hutch, mixed lateral storage and a work surface supported by our contemporary H Leg. While the image on the right uses the same foot print as the left, we designed the workstation using sleek hutch supported O-Legs and modern square post legs.
