For a left half gable on ANY hutch add LHG to the end of the code. No upcharge

For a right half gable on ANY hutch add RHG to the end of the code. No upcharge

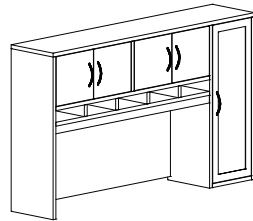

- All hutches have a 1" gap at the bottom on the back panel for wire management. For no gap please add NG to the end of the code.

Available in all 25 finishes including two tones.  
 Custom units available. Please contact our design department.

Wall mouting brackets provided with each visual board. Fastening hardware not included

NOTE: Extra care should be taken when mounting these units. Units should be mounted to wall studs using the correct fastening hardware. Failure to do so may result in the unit falling down causing damage / personal injury. Wall fasteners are not included. Please consult an installation professional for proper wall mounting.
