

# MINI STORAGE

INTELLIGENT OFFICE FURNITURE

## MINI TOWER

Our miniature storage towers offer a simple and efficient solution for office storage, combining personal and shared spaces in a compact design. Mini towers reduce the need for large personal and shared storage areas and come in various configurations with easy access options.

# MINI STORAGE

The power of mini storage is not limited solely to adding accessible options for smaller office footprints. Storage units can be used as partitions to replace traditional privacy options by separating desks and creating a natural privacy barrier.

# MINI PERSONAL

Our mini pedestals provide space-saving storage solutions for offices of all kinds. These storage options have been designed to fit under, beside or behind the users work area, providing easy access to frequently used items. Their small and compact design allows you to maximize space making them a popular choice for both small and large office footprints.

Looking for a more personalized feel? Customize any of our personal storage pedestals to create a more tailored and suitable storage solution for your space!
