

# GLOSSY BLACK

**GLOSSY BLACK |**  
FRONT PANELS ONLY

Black delivers a confident, high-impact statement dramatic yet undeniably sophisticated. It brings a sense of luxury and depth to a space, creating an intimate, cocooning atmosphere with an elegant edge of mystery.

Swatches are intended to provide a general representation of colour to support the decision-making process, rather than serving as a fully accurate or final colour match. If an exact colour specification is required, it is strongly recommended to request a physical sample; rather than relying solely on a digital swatch.
