

MOCHA

MOCHA | 1 INCH • FLAT EDGE

Mocha is a rich, indulgent brown reminiscent of dark chocolate deep, refined, and effortlessly sophisticated. Warm and grounding, it creates comfortable, elevated spaces with a sense of modern depth. Sitting beautifully between sepia and chestnut, it offers a timeless tone with contemporary appeal.

Swatches are intended to provide a general representation of colour to support the decision-making process, rather than serving as a fully accurate or final colour match. If an exact colour specification is required, it is strongly recommended to request a physical sample; rather than relying solely on a digital swatch.
