NATURAL MAPLE |
1 INCH • FLAT EDGE

Natural Maple is celebrated for its intricate grain and naturally bright, refined tone. With a light yellow base and soft warm-brown undertones, it offers an elegant neutral that feels effortlessly modern. Its gentle warmth brings comfort through the winter, while its airy softness keeps spaces feeling fresh and cool in the summer.

Swatches are intended to provide a general representation of colour to support the decision-making process, rather than serving as a fully accurate or final colour match. If an exact colour specification is required, it is strongly recommended to request a physical sample; rather than relying solely on a digital swatch.
