

SKY

SKY |
1 INCH • FLAT EDGE

Sky is ideal for creating calm, restrained interior atmospheres. With its refined steel blue-grey hue, it offers a consistent, modern neutral that brings quiet elegance and sense of effortless balance throughout a space.

Swatches are intended to provide a general representation of colour to support the decision-making process, rather than serving as a fully accurate or final colour match. If an exact colour specification is required, it is strongly recommended to request a physical sample; rather than relying solely on a digital swatch.
