

SOLANA

SOLANA |
1 INCH • FLAT EDGE

Solana is a sought-after finish defined by its warm, golden-brown tones and refined presence. Its dense, interlocked grain enhances a naturally rich palette that transitions gracefully from light amber to deep golden brown, creating a sophisticated and enduring aesthetic.

Swatches are intended to provide a general representation of colour to support the decision-making process, rather than serving as a fully accurate or final colour match. If an exact colour specification is required, it is strongly recommended to request a physical sample; rather than relying solely on a digital swatch.
